- Backend Technologies** - Node.js, Express.js, Sanity.io, MongoDB, Firebase
- Developer Tools** - Linux, Redux, Github, Canva, Insomnia/Postman, Figma

PROJECTS

Reform

Next.js, Typescript, Tailwind, Node.js, Prisma, DnD kit, PostgreSQL, Server actions • July 2023 - Oct 2023

- Championed the inception of an intuitive form platform, mastering Full Stack dynamics.
- Elevated form creation with a cutting-edge Webflow feature, ensuring seamless sharing.
- Simplified platform customization, empowering effortless addition and tweaking of fields.
- Crafted and shared captivating forms seamlessly, leveraging Webflow's prototype prowess, leading to a 15% uptick in user engagement.
- Drove transformative integration of Webflow features, revolutionizing form creation simplicity.

Student Management System

React.js, Redux, Tailwind • Jan 2023 - March 2023

- Transformed Student Management: React, Redux, Tailwind CSS for a dynamic, user-centric interface.
- Enabled agile data flow, real-time updates, and an intuitive information management experience.
- Crafted a robust system for effortless control: read, update, delete with precision.
- Elevated efficiency in student data management through seamless technology integration and thoughtful design.

My_tube

React.js • Nov 2023- Dec 2023

- Led the development of My_tube, an advanced YouTube clone, implementing robust authentication for heightened security measures.
- Enhanced user experience through the seamless integration of dynamic dark and light modes on My_tube.
- Drove My_tube's success by pioneering industry-leading UI design, creating an intuitive and visually captivating platform.

EDUCATION

Barkatullah University Institute of Technology , [BUIIT] • Bhopal ,Madhya Pradesh

Bachelor of Technology in Information Technology • 2020-2024

EXTRACURRICULAR ACTIVITIES

- Dedicated to knowledge sharing, I actively contribute enlightening technical blogs, cultivating collaborative learning experiences within the community.
- Made a significant impact on open-source development, spearheading a crucial pull request for a REST API within Postman Labs.
- Championed an inclusive workshop, adeptly training seven students in a holistic curriculum covering both front-end and back-end technologies.
